This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of the City of Jacksonville proposes to use revenue attributable to the tax rate increase for the purpose of funding wage adjustments for city employees and increased operations & maintenance costs.

PRECEDING YEAR'S TAX RATE	\$ <u>0.6596</u> per \$100
EFFECTIVE TAX RATE	\$ <u>0.6392</u> per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for the City of Jacksonville from the same properties in both the 2016 tax year and the 2017 tax year.
