

Lake Jacksonville Campgrounds

Welcome to
Lake Jacksonville

The City of Jacksonville maintains the Lake Jacksonville Recreational area which is located about three miles from downtown Jacksonville and offers 1,325 acres of water. The lake is surrounded by homes and lovely East Texas scenery.

The Parks department maintains ten screened shelters, seven camping sites with water and electricity, and ten RV pads with water, electricity, and restricted gate access. There are three boat ramps on the lake and two public swimming areas. The camping area also has restroom facilities with showers for the campers and a RV sewer dump station by the park entrance.

Price per night
 Screened Shelters - \$35
 RV Pads - \$35
 Shelter & RV Pad Combo - \$45
 Grass Campsite \$25
