## MEDIA RELEASE

February 21, 2021

For Immediate Release

### ***City of Jacksonville Bottled Water POD (Point of Distribution)***

The City of Jacksonville has secured bottled water for those in the \*affected area of the boil water notice.

The POD (Point of Distribution) will be held today (Feb. 21, 2021) at the old Tube Fab parking lot located at 2060 N. Bolton, across from Anvil Street.

Distribution will start at 10:30 am until water is gone. This will be on a first come, first serve basis.

The distribution will be limited to one case of water per household that is in the affected boil water notice area. Residents must show proof of address by bringing a water bill or other form of identification. Any other resident, not in the affected boil water area, will be turned away.

REMAIN IN YOUR VEHICLE for contactless distribution.

**\*The affected area will include all residential, business, and wholesale customers north of US Hwy 175 on North Bolton Street, US Hwy 69 North, and the Lincoln Park Area north of Hwy 175. See attached map.**
